RE: TREMprime HR Primer—Green Building Product Information (LEED v4.1 Information)

Tremco Incorporated is an organization that is committed to quality, our employees, and our environment. We are responsive to both internal and external customers, and we pledge to treat everyone with good stewardship and respect.

Tremco Incorporated certifies the following for TREMprime HR Primer:

Building Product Disclosure and Optimization:

TREMprime HR Primer is manufactured in Delta, British Columbia, Canada.

No single extracted material is used to produce the majority of this product.

Recycled content for TREMprime HR Primer is not available, and for the purposes of LEED reporting should be assumed to be zero.

Low Emitting Materials - VOC Content Information:

TREMprime HR Primer is an exterior applied waterproofer with a VOC content of 145g/L equaling 10% as applied/mixed. This product is typically used as an exterior applied product, as such, it does apply to the Low Emitting Materials credit in LEED v4.1.

Green Chemistry:

Tremco Incorporated is dedicated to the environment and prides itself on making its products as sustainable as possible. We are pleased to report that this product is produced without any Red List chemicals. As such, it can be used to assist in finishing projects aimed towards achieving a Living Building Challenge certification.
