To Whom It May Concern:

RE: Vulkem HT Underlayment—Green Building Product Information (LEED v4.1 Information)

Tremco Incorporated is an organization that is committed to quality, our employees, and our environment. We are responsive to both internal and external customers, and we pledge to treat everyone with good stewardship and respect.

Tremco Incorporated certifies the following for Vulkem HT Underlayment:

Building Product Disclosure and Optimization:

Vulkem HT Underlayment is manufactured in Dubai, UAE.

No single extracted material is used to produce the majority of this product.

Recycled content for Vulkem HT Underlayment is not available, and for the purposes of LEED reporting should be assumed to be zero.

Vulkem HT Underlayment article is a high temperature, self adhering roofing underlayment.

Green Chemistry:

Tremco Incorporated is dedicated to the environment and prides itself on making its products as sustainable as possible. Vulkem HT Underlayment acts as an additional insulating barrier which prevents air from entering or escaping your home resulting in energy savings.

Additional Information:

Should you have any questions or require additional information, please do not hesitate to contact Technical Services or your local Tremco Field Representative.

Sincerely,

A handwritten signature in black ink that reads 'Kristi Brown'.
